Directions to the National Health and Medicine Museum at Walter Reed Army Medical Center

Bring a Photo ID in order to get into the gate. There is a small chance your car may be searched by the gate guards, inconvenient, but necessary.

From the I-495 Beltway (Outer loop):

Take the Colesville Road/Route 29 exit (exit 30) south toward downtown Washington DC. Turn left onto Georgia Avenue. Continue on Georgia Avenue to the Elder St. gate of Walter Reed Army Medical Center. Turn right into the gate and stay in the right lane. Just past the gate, turn right. This road winds around past the Heli-Pad, going between the Hospital and Rumbaugh Parking Garage. You will not be able to park in the garage. Continue past the garage, eventually going past the Museum on your right. Just past the museum is a parking lot on the left and one on the right (turn right at the stop sign). You can park there and go into the front entrance of the Museum.

From the I-495 Beltway (Inner loop):

Take the Georgia Avenue exit (exit 31, Route 97 south) south toward downtown Washington DC. Continue on Georgia Avenue to the Elder St. gate of Walter Reed Army Medical Center. Turn right into the gate and stay in the right lane. Just past the gate, turn right. This road winds around past the Heli-Pad, going between the Hospital and Rumbaugh Parking Garage. You will not be able to park in the garage. Continue past the garage, eventually going past the Museum on your right. Just past the museum is a parking lot on the left and one on the right (turn right at the stop sign). You can park there and go into the front entrance of the museum
